TABLE OF CONTENTS

K & W Manufacturing was established in 1968 as a small display fixture plant with 2600 sq. ft and only four employees. In 1983 we made the move into the truck accessory market with running boards, bed protection and finally toolboxes. We currently have over 50,000 sq. ft. and a small warehouse down the road.

We are a family owned, quality focused, customer driven business with over 45 years in the metal stamping business and over 30 years in the truck accessory business. We specialize in medium to long run stampings and a full line of diamond aluminum toolboxes and truck accessories. In addition, our dedication to quality and extensive expertise in metal fabrication allows us to provide specialty and custom built boxes to our customers at reasonable costs.

Our mission is 'complete customer satisfaction'. This commitment involves everyone here at K & W Manufacturing. If you have any questions about the company and our capabilities, please feel free to contact us.

HEAVY DUTY PROFESSIONAL SERIES

Options:

- * Front & rear windows.
- * Welded ladder rack.
- * Call for quote on special requests.

The new TOP ELIMINATOR is one of the most durable commercial truck top available. This all aluminum cap is constructed with a .125 wall square tube frame integrated with the full length side boxes for superior strength. The .100 brite aluminum tread skin is over twice the thickness of other "so-called" commercial toppers on the market to provide years of service and security. This is sure to be the most valuable jobsite tool a professional can have!

Features:

- * Stainless steel T-handle latches.
- * Automotive grade gas lifts
- * Door opening has a reverse lip design & durable weather seal to prevent water entry.
- * Center shelf in both front compartments.

SPECIAL ORDER POLICY

PRODUCTS UNDER THIS POLICY REQUIRE AN ADDITIONAL LEAD TIME OF 5-14 WORKING DAYS.
THIS POLICY APPLIES TO SPECIAL SIZES AND SOME POWDER COATING OPTIONS.

CUSTOM ORDERS

K & W WILL QUOTE ANY STYLE TOOLBOX TO YOUR SPECIFICATIONS.

SALES POLICY

Order Acceptance Policy:

We shall accept orders from Merchandisers, Manufacturers, Van Converters, Recreational, and Commercial Vehicle manufacturers, or other established businesses marketing similar products. We reserve the right to refuse to sell to individuals or firms whom we believe are not qualified. Possession of literature or price lists is not necessarily an offer to sell.

Returned Goods Policy

All sales are final. Returns will not be accepted without prior authorization. Collect returns will be refused. Items returned will be inspected immediately. Merchandise shipped in error or with manufacturing defects will be exchanged or credited unless other arrangements are made. Unauthorized returns will be refused. Claims for shortage, or error in shipment received or invoiced, must be made in writing within 48 hours or receipt of same. K&W Mfg. reserves the right to charge for handling and restocking in the amount of twenty percent (20%) of invoice value of merchandise. Special order, sale, or promotional items do not qualify for return. Items that have been in your possession for more than one (1) year may not be returned.

Freight Claims Policy

Loss or damage in transit: Claims for loss or damage in shipment need to be made to the freight carrier as soon as loss or damage is discovered. It is best for the order to be checked before the freight company leaves the dock; if damages or missing material are noticed, they should be noted on the freight bill. When the freight company accepts merchandise, the responsibility of the shipment becomes the freight company's. We are not responsible to file a claim after the carrier picks up the shipment from us.

Customer Pick Up Policy

Customer pick up at the factory requires the customer to check receipt of product and sign the packing slip before leaving our factory; any shortages after this will not be honored.

Credit Policy

Orders will be shipped c.o.d unless an open account has been established. A signed and completed K&W Credit Application must be received before credit can be extended. Upon credit approval, open account items will be extended to customers who qualify. The following information is needed to establish credit:

- References of four (4) suppliers, including addresses, contacts, phone and fax numbers
- Bank reference, the above information, account number, and a qualified signature
- DB and Federal ID numbers, year business established and name of owner.

Minimum five hundred dollar (\$500.00) order or a ten dollar (\$10.00) processing fee may apply.

Warranty Statement

K&W Mfg. warrants all products to be free of defects in material or workmanship for a period of ninety (90) days from invoice ship date. If, upon our inspection, we deem the item to be defective, K&W Mfg. will be responsible for replacement of the defective item only. No cost for labor or installation will be reimbursed. Damages due to shipping and handling, improper installation, abuse (intentional or accidental), and normal wear and tear are not covered by this warranty. All prices and specifications are subject to change without notice.
