WELCOME TO DFW
ESTABLISHED 1978

ABOUT DFW

Welcome to DFW Truck and Auto Accessories! 2018 is our 40th year in business, thanks to our customers and their continued patronage.

Established in 1978 on Division Street in Arlington, a new business amongst a street of sixteen already established camper lots, the "new kid on the block" quickly rose to the top because of founders Ed and Christine Abbott's professional business approach and "Golden Rule" Customer service. Still owned today by the Abbott family and employee managed, the DFW family continues to "try and do the right thing", applying an honest and caring approach to dealing with customers, vendors, and employees. We are now taking care of some of our original customers' grandchildren! DFW is also the largest, and we think, the best truck accessory retailer in Texas.

You will also notice that we are in the process of changing our company name to more closely reflect what we do...be assured you will still be dealing with the same great DFW Folks that you have come to know and love!

THE REASONS YOU SHOULD BE DOING BUSINESS WITH DFW:

#1 WE HAVE AN IN-STOCK INVENTORY OF OVER 2 MILLION DOLLARS.

2000 truck covers and accessories for most vehicles are in our warehouse or stores. We will transfer inventory between our stores at NO EXTRA CHARGE to you! Here at DFW, you can see, touch, and evaluate the product you are considering before you buy...

#2 WE INSTALL WHAT WE SELL.

We can arrange for professional installation on any item we sell.

#3 WE SERVICE WHAT WE SELL.

If we carry a product, we already carry or can get parts for it. We also service most major brands of truck bed covers and camper tops.

#4 WE GUARANTEE OUR PRICES.

Our NO BULL DFW Price match Guarantee. If we stock a product, we guarantee that we will match any legitimate price you find on it, including online.

#5 IF YOU'RE NOT HAPPY, WE'RE NOT HAPPY.

If not let us know, and we will do anything within reason to make you glad you chose DFW!

#6 WE ARE TRUCK AND AUTO OWNERS OURSELVES.

We use and test the very same products that we sell. "If a product is not good enough for one of our trucks, we certainly won't sell it to you."

#7 BE REWARDED FOR YOUR REFERRALS!

If you are happy with your purchase from DFW, send your friends and family to us and earn great DFW Gifts! In fact, about 75% of our business is from referral and repeat customers.

#8 FAMILY OWNED, FAMILY OPERATED, & LOCAL.

We have been doing this for 40 Years, and we're going to be here. We are now working on some of our original customers' grandchildren's vehicles...

#9 OUR EMPLOYEES.

Average time in with DFW for our sales and management employees is over 20 years. For our installers, it is 9 years.

#10 GO WITH A DEALER THAT HAS SEEN IT ALL.

After 40 years, and almost a half a million truck bed covers sold, there is not too much that we have not seen. Cumulatively, our 65 employees have over 500 years of experience in the automotive aftermarket.

HERE'S HOW WE DO BUSINESS:

Our Hours

We are open 9-6 Monday through Friday and 9-4 Saturdays

We have key boxes at all stores for late or early vehicle drop off.

CREDIT CARDS/CASH/CHECKS (WITH PROPER ID)

90 day Layaway/Financing available through Car Care One. Gift Cards Available (Corral Card) in any denomination.

Follow us at any of our social media accounts.

COMMON SENSE DISCLAIMER

Our commitment is to provide the very best in quality aftermarket accessories and professional service to you, our customer. However, there are certain factors out of our control. Any time that an aftermarket product is installed, the vehicle's painted, metal, and/or trim surfaces are going to be affected. Body part modification, drilled holes, clamp marks, rubbing, scuffing, abrasions, and adhesive residue are all part of the process of installation and use of these products. DFW Camper Corral is not responsible for any alterations or damage related to the sale, installation, or use of any aftermarket product. All product warranties are per manufacturer terms and conditions, and the customer is responsible for all owner required maintenance. Due to the many variations in paint color formulations, an exact paint match cannot be guaranteed but will be within established industry standards. DFW reserves the right to apply a 25% restocking fee to any return of custom ordered merchandise.

COMMERCIAL WORK CAPS

When your truck bed is your biggest tool box, you need a product that can handle the workload that you are going to put on it. At DFW we have the answer, from recreational use to "Heavy Duty". In fact some of these extreme units are actually tougher than the trucks they sit on, and designed to last through multiple vehicles. These are serious work tops for serious work. Our fleet specialists can guide you and your company through the selection and installation process, all based on your needs.

A.R.E. DCU Series - Deluxe Commercial Units

With over 200 variations to choose from, you can create the perfect cap to fit your work needs. Our rugged, fully welded frame construction offers years of durable service, no matter what the weather or job. There's a reason that the A.R.E. DCU Series is the only truck cap that received a 10 out of 10 rating by Handyman Magazine readers.

SNUGPRO SnugPro by SnugTop

A segment-leading design in commercial truck caps starting with the unique recessed fiberglass side doors and hardware that is as sleek and sophisticated as it is durable and functional - not found on any other commercial cap on the market today! This new heavy-duty line of fiberglass cap offers optimum worksite efficiency.

The WT by ATC

The WT comes with all of the features from ATC's LED, plus everything you need for the job. This commercial-grade truck cap is tough, secure, and efficient. Customize the configuration to make the perfect ATC Truck Covers' WorkTop for your pickup.

A.R.E. Site Commander

The A.R.E. Site Commander commercial truck cap is made from fiberglass construction to create a lightweight yet durable truck cap that offers storage and organization to fleets.

BED COVERS

Not all jobs call for camper or worktops, and possibly you need more bed accessibility and/or better driving visibility. At DFW we offer several different products that offer partial to full bed coverage. In most cases, we can even cover the area behind a toolbox.

DFW Camper
Corral

BAKFlip
PREMIUM MATTE HARD FOLDING COVER

MX4

BakFlip MX4

Whether you're loading your truck up with sand, cement, or concrete, or packing up for a weekend camping trip, your cargo needs to be protected, and your truck deserves to look good. If you want to add all the convenience of a locking trunk to the style and function of your pickup, equip your rig with the BakFlip MX4 Aluminum Tonneau Cover.

BakFlip HD

The BakFlip HD is a heavy duty tonneau cover designed to deliver on all levels. The BakFlip HD is a sleek, stealth truck bed cover with upgraded, flush designed hinges for superior water resistance.

RETRAX PRO MX

Heavy-Duty Aluminum Construction

RetraxPRO MX bed covers are made with heavy-duty aluminum slats covered in a matte powder coat, giving them the strength to support distributed loads of more than 500 pounds!

- Easy No-Drill Installation
 - Key Lockable in Any Position
 - Spiral Track Storage System
 - Glides Easily on Sealed Ball Bearings
 - Now Available with Power!
- PowerTrax by Retrax

FOR UTILITY BEDS

WORKS WITH EXISTING TOOLBOXES!

PACE EDWARDS

Service body trucks can easily be equipped with a convenient tonneau cover for secure and attractive storage of tools and equipment. Just flip the switch located in a locked compartment, and the Utility Bedlocker retracts into a canister at the front, allowing full access to the bed.

ACCESS
TOOLBOX

If you are looking for a tonneau cover that will work with your toolbox, we have the perfect covers for you: the Access Toolbox Tonneau Cover!

BED PROTECTION

The bed on a working truck takes a real beating. And, the bed on any truck is the most abused area on the entire vehicle. We offer a full selection of bed protection products, designed to minimize damage and in many cases, can help reduce cargo shifting.

A pickup truck isn't just transportation. It's your trusted sidekick. Take care of it with protection you can trust—the Duraliner™ truck bedliner, one of the most reliable names in bed protection since 1979.

- Smooth skid resistance that protects your truck and cargo better
- Durable, UV-protected material – Looks great and prevents dents and scratches
- Custom molded to fit your truck
- Rib design for efficient water drainage
- Patented functionality – including board holders and cup holders
- Available in under-rail and over-rail models to meet all your protection needs
- Your complete satisfaction guaranteed with Penda's NO HASSLE warranty.

BEDRUG

NEXT GENERATION BEDLINERS

LOOKS & FEELS LIKE CARPET

Made of 100% polypropylene, the BedRug bed liner protects your truck and provides an ultra tough work surface. BedRug is water and stain resistant. Holds up to bleach, oil and even battery acid!

Bed Mats

An easy way to protect your investment in your truck. While protecting it also prevents loaded items in the bed from shifting with its non-skid surface. - Protects your bed and keeps cargo from shifting - High-strength, cord-enhanced that resists most chemical spills and will not crack, rust or break - even in extreme temperatures - Rubber cleats on backside help keep mat in place and allow water drainage.

BEDTRED

BEDTRED OUTPERFORMS SPRAY-IN/DROP-IN LINERS

Get the look of a spray-in bedliner without damaging your truck bed finish. BedTred offers features superior to any spray-in liner, including dent & cargo protection, quick & easy install and a lifetime warranty. The textured anti-skid surface is UV resistant and surpasses any other liner on the market today.

IMPACT MAT™

BEDTRED® IMPACT TRUCK BED MAT

Spray-On Bedliners

A TOFF® sprayed-on bedliner conforms to any type of surface; so that means that no matter what type of truck you have, you can make sure that your bed will always be protected against the environment. With an always clean finish, a TOFF® sprayed-on bedliner protects your investment for life.

CARGO MANAGEMENT

Sometimes it's the little things that you really need, to hold down and secure "the big things" from rolling all over your bed or cargo area. At DFW, we have a myriad of ways to tie down your load.

BEDSLIDE

GET MORE out of YOUR TRUCK

BEDSLIDE is simply the easiest way to load and unload your truck. It turns your truck bed into a sliding drawer. BEDSLIDE is about efficiency—minimum time and energy for maximum results. BEDSLIDE is all about getting the job done right. There is a BEDSLIDE model to fit almost any truck, van, or SUV to make loading, transporting, and accessing your freight simple and safe. Each BEDSLIDE can be adapted with custom boxes, racks or dividers. Plus, our riv-nut mounting system makes installation and removal a cinch. Manufactured in the U.S.A., BEDSLIDE has built its reputation on precision craftsmanship, dependability and durability.

weather guard

PACK RAT

Designed for heavy loads, WEATHER GUARD® PACK RAT® Drawer Units are also designed with modular shelving applications in mind.

Have your equipment waiting for you as soon as you open the door. These heavy-duty pull-out drawer units can be mounted inside the side or rear doors. They offer easy access to hundreds of pounds of tools and supplies while leaving floor space open for hauling materials or moving in and out of the vehicle.

Tailgate Lifts

Tommy Gate offers cargo handlers the smoothest action and toughest durability of any railgate in its class. By utilizing a steelroller and leaf-chain pulley system, this medium-duty rail is ideal for high-cycle applications in any environment. Using the highest quality components while placing a priority on function and safety, Tommy Gate is proud to present the elite medium-duty railgate.

ANTHONY
LIFTGATES, INC.®

Durable, No Rust Sliding Truck Bed Systems

Most sliding truck bed systems leave your truck bed looking like Swiss cheese thanks to all of the drilling during installation. The sliding truck bed systems at ATC Truck Covers preserve your truck bed thanks to its innovative no-drill bracket system. If you prefer a drilled installation, we also have that too. Our sliding truck bed systems are perfect for anyone who hates crawling into their truck bed to get those hard-to-reach items. Our systems come with triple stage ball bearing slides for a smooth sliding system.

LoadMaster

Original

customizable rugged design and quick installation

Composite

20% lighter than the Original, but with the same weight capacity

StoreMaster

The ATC Composite Bed System is a cargo management system with an all-fiberglass deck.

CARGOGLIDE

Say goodbye to the aggravation of a normal truck bed. With CargoGlide, you can stop crawling in the back of your truck or van every time you need to reach your gear. So, stop scuffing your knees and hurting your back! Install a CargoGlide in your truck or van and get your gear and materials out where you need them!

TOOL BOXES

Here is an infinite variety of boxes and related products available for your truck and van. At DFW, again as a family owned independent upfitter, we have access to all lines of boxes and tanks. Just tell us your needs, and we will find the right solution for you and your truck.

RIKI

RIKI truck boxes are built to withstand tough conditions. Truck boxes are available in a variety of designs, with side-opening doors, full length lids, and double lids. Low side truck boxes mount along the side of the bed rail with a spring assist lid opening for convenient access. Upper side truck boxes mount above the bed rail or fit any flat application. Topper compartment boxes are ideal for general applications such as flatbeds or on top of a service body.

weather guard

PACK RAT

Designed for heavy loads, WEATHER GUARD® PACK RAT® Drawer Units were also designed with modular shelving applications in mind. Have your equipment waiting for you as soon as you open the door. These heavy-duty pull-out drawer units can be mounted inside the side or rear doors. They offer easy access to hundreds of pounds of tools and supplies while leaving floor space open for hauling materials or moving in and out of the vehicle.

FILL-RITE

The Fill-Rite DC Fuel transfer pumps give you the reliability and pumping power wherever you need it. From portable use to tank and barrel mounting, 12 volt pumps make transferring fluids safe and trouble-free.

Bigger, better, faster...

Now Gen 5 TITAN™ Tanks come in a new, improved "Super Series" for selected applications. For most vehicles the "Super Series" tanks are larger than ever before, fill more quickly and represent a new level in quality, features, and innovation.

UWS

Dedicated to professional workers and tradesman, UWS offers a complete assortment of commercial storage and carrier solutions at a great value. For the workman looking for tough well-built storage and carrying solutions, that are as hard-working as you are. Tough. Reliable. USA Made.

Heavy-Duty tanks are designed to transfer non-flammable liquid to on-site vehicles and equipment. Optional chests integrate with the tanks providing added storage without reducing truck bed space.

TRANSFER TANKS

Premium Style. Lasting Performance.

DEEZEE
The Quality Tank Company

weather guard

DeeZee Transfer Tanks - A safe and convenient means for transporting non-flammable liquids. Constructed of heavy gauge Brite-Tread aluminum with black powder coat finish with radius curve design eliminating unnecessary welds.

RACKS

Whatever your rack needs-hauling-storage protection-light bar-or recreation, we have a rack that will fit your truck as well as your needs. We have more to offer than the manufacturer company owned stores and are your "one-stop" shop for your commercial needs.

DFW Camper Corral
TRUCK & AUTO ACCESSORIES STORE

RKI Headache Racks

RKI Window Grilles, Rear Grilles and Ladder Racks are built of heavy duty steel with polyester powder coat finish to provide many years of dependable service.

PARAMOUNT
RESTYLING

Paramount Restyling knows that you have to work hard, and then you have to play hard. That's why the company manufactures accessories that will allow you to equip your truck or van to do both.

Compact Truck Contractors Rack

Heavy Duty Full Size Contractors Rack

Western Hauler

Ranch Hand's Hauler comes standard with lights and is made of heavy duty square tubing and is available fully louvered or widow cut. Headache racks help keep your cab cooler by

keeping direct sunlight off your rear window and protects you and your rear glass from objects being hauled in the truck bed. It must be installed with short or long rails.

KARGO MASTER

The Pro II Van Cargo Rack is a full-length van cargo rack that transports everything from plumbing supplies, to carpet rolls to your job site with safety and style.

Pro II Ladder Rack

The Kargo Master Pro II Series Truck Ladder Rack is one of the toughest heavy-duty racks in the market. The Kargo Master Pro II Series Truck Rack is built with 2" diameter round steel tubing that has a 1,700 lb. loading capacity. The sleek round tube design significantly reduces wind drag and noise and creates a uniform load distribution that results in a sturdier rack. All Kargo Master truck racks are treated with zinc primer and marine grade powder coat to achieve excellent corrosion and UV resistance.

INTERIOR

With all of this work truck on the outside, we sometimes forget what we can do for the inside of a vehicle, making the cab space more comfortable and usable for those that are working out of their work truck (or work car). We can tint your windows, add a desk, add an inverter, protect your seats and floors, and a whole lot more.

Weather Tech Floor Mats

The WeatherTech® All-Weather Floor Mats have deeply sculpted channels designed to trap water, road salt, mud, and sand. They won't curl, crack, or harden in sub-zero weather. Our All-Weather Floor Mats also have anti-skid ridges to prevent shifting in your vehicle and come with a protective, non-stick finish to make cleanup quick and easy. WeatherTech® All-Weather Floor Mats meet FMVSS302 and are manufactured to ISO 9001 standards, your assurance of quality.

Cargo Liners

In the quest for the most advanced concept in floor protection, the talented designers and engineers at MacNeil® Automotive have worked tirelessly to develop the most advanced DigitalFit® floor protection available today!

Computer Consoles

JOTTO DESK®

The Jotto Desk computer mount is an ergonomic, multi-adjustable swing arm desk designed to secure a notebook computer in a vehicle. The Jotto Desk articulated swing arm enables you to pull the desktop over for comfortable operation, reducing back strain. This Jotto Desk computer mount is designed to mount to the side of your equipment console or any other flat, angled, or vertical surface.

Sunshades

eclipse.sunshades.net

We all know what the summer sun means for you and your vehicle - damaged leather interiors and unbearable heat. If you own a car, truck or van and live in a place that has at least 1 sunny day a year, you NEED the Eclipse Sunshade. The Eclipse Sunshade has been manufactured for nearly 20 years and is the original retractable and self-storing car, truck, and auto windshield shade.

Window Tint

LLumar automotive window tint can enhance your vehicle's appearance, reduce heat and glare to provide a more comfortable interior, and offer valuable protection against the unexpected. Look cool and feel even cooler with custom tinted windows featuring superior-quality LLumar window film.

Seat Covers

SEATSAVER

Keep your seats looking new for years with slip-on SeatSaver seat protectors. Custom fitted, they provide protection from sun, dirt, outdoor fun, and abuse during the workweek, to help keep your seats looking new. Travel in comfort - breathable, heavy duty polycotton fabric won't give you that "sticky" feeling that neoprene or vinyl seat covers will. If the SeatSavers become soiled, just throw them into your home washer and dryer and then slip them back on.

Fire Extinguishers

Our goal is to provide our customers with quality fire extinguishers at a great value. In pursuit of this, we manufacture all our products in the U.S.A. We mill and blend our own dry chemical agents, machine the component parts, assemble and then test our units to the highest quality standards.

ELECTRONICS & LIGHTING

DFW can sell and install many of the popular factory options that don't always come on fleet and work vehicles. In many cases, these products are from the very same manufacturers that make the very same products for the OE's.

DFW Camper
Corral

CELL PHONE SIGNAL BOOSTER

This is the amplifier that boosts a cell phone's reception 20X while driving. Unlike other models that only boost 2G or 3G signals, this one is optimized to amplify 4G LTE signals for Verizon or AT&T cell phones (also boosts 3G and 2G signals for nearly all U.S. carriers). It improves bi-directional signal strength in weak-signal areas, minimizing dropped calls and maximizing data speeds.

POWER INVERTERS

Provides household power on the go! It converts battery power to 120 V AC household power, allowing you to power up office equipment and household appliances from your vehicle. It also has a USB output, ideal for using/charging most small video games, an iPod®, a Blackberry®, mobile phones, and many more USB devices. Direct-to-battery cables are included.

FRONT END / GRILLE GUARDS

Work trucks face many more hazards and extreme conditions than the more common "Cowboy Cadillac's." DFW can outfit the front and rear of any truck, SUV, and even vans for the rugged "out there."

Westin
SIGNATURE OF QUALITY

Grille Guards

Westin's Classic Grille Guard satisfies even the most demanding outdoor enthusiast, but you don't need to go off-road to appreciate this functional good-looking Grille Guard. Made of 1.25" diameter steel tubing with heavy-duty steel uprights which contour each vehicle's bumper with maximum strength. The rubber extruded pads provide extra protection and the outer hoops have been shaped to customize your vehicle's lines. Available in chrome plated or black powder coat finish.

Ranch Hand's Legend Grille Guard is the most popular heavy-duty grille guard on the market today. Ranch Hand grille guards give your truck or SUV that customized look while providing you excellent front end protection.

- Available in Textured Black Powder Coat or Chrome
- 1 1/4" One-Piece Tubular Ring Assembly
- Frame-Mounted Uprights
- Easy, No-Drill Installation
- Rubber Extrusions and Trim-top Caps are Securely Bolted to Uprights

Front Bumper Replacements

The Cattleman Front End Replacement LONGHORN SERIES is the toughest on the market. This traditional style gives the best possible protection available for the front end of your truck. The LONGHORNS sleek rugged look will make your truck stand out among others.

Ranch Hand's Front Bumper Replacements provide maximum protection for your vehicle. With the 4" schedule 40 pipe bumper, they're the toughest product on the market today. Comes standard with 2" receiver, sturdy frame mounting and a super polyester black powder coat finish.

Rear Bumpers

Ranch Hand's Sport back bumper is designed with the same unsurpassed quality and workmanship as the Legend series. This durable black powder coated bumper is made from formed channel and has diamond plated step plates and skirts. It comes standard with backup/work lights. Depending on the model, the end cap has a built in step and most makes and models retain factory reverse sensors. Do not exceed vehicle manufacturers recommended towing capacity. Factory receiver can be retained. Hammer tone finish is an option.

STEPS & SIDE ACCESSORIES

The very features of a work truck, bigger tires and increased ride height, that allow you to carry heavier loads and navigate unimproved roads make it a lot harder to get in and out of. At DFW we have a huge selection of products to help take that next step up or out.

DFW Camper Corral
TRUCK & AUTO ACCESSORIES STORE

AMP RESEARCH PowerStep

Designed and built exclusively in the USA, the genuine AMP Research PowerStep™ seamlessly extends when any door is opened, giving a rock-solid, safe and convenient step up into your truck. When the doors close, it retracts just as smoothly, streamlining the vehicle profile with no loss of ground clearance.

ARIES

TRAILFX

WESTIN

TOWING & SUSPENSION

DFW can outfit your hauling needs from the hitch to the trailer. From receiver hitched, to fifth wheel, gooseneck hitches and brake controllers, we can get you hooked up. DFW also offers a variety of trailers from Streme and Carry On. DFW offers several products to keep your vehicle riding level when under load, to help handling and safety.

CURT hitches feature closed-end-main bodies to prevent rusting from the inside out. Precision robotic welding ensures strength and superior fit. Finally, the CURT powder coat finishing process is a step above the rest.

Fifth Wheel Hitch

Whether you're towing cross country or hitting the family campground, 5th wheel trailers offer superior comfort, towing, and construction. Combine these amenities with a CURT 5th wheel hitch and you have the most well designed, problem free rig on the road!

Brake Controllers

Triple-axis motion sensing for highly responsive, smooth stops. Compact size. Automatic leveling and calibration - No setup required. Automatically adjusts brake output when going up or down a hill. Sensitivity adjustment for varying trailer loads or driving conditions. Compatible with anti-lock brakes and cruise control.

Gooseneck Hitch

CURT has a full line of gooseneck systems for just about every truck on the road. Choose from multiple styles including fifth wheel rail mounted gooseneck hitches. Round out your setup with CURT Gooseneck replacement parts and accessories.

B&W hitch is built from start to finish in our state-of-the-art facility here in the heartland. We utilize the latest computer controlled technology available, including robotic welding, but it takes more than equipment to build a B&W hitch.

A hitch when you need it... a level bed when you don't.

Turnoverball Hitch

Hellwig is a proven company in business for over 60 years. Hellwig Products are precision engineered and 100% American made at our ISO9001 certified facility in Visalia, CA.

Helper Springs

The Original Air Spring

Firestone Industrial Products was the first manufacturer to patent the air spring. Today, we engineer and manufacture each product to provide years and thousands of miles of trouble-free service. In fact, Firestone air springs often outlast other maintenance items on your suspension, such as bushings, shocks, leveling valves or regulators.

Air Lift Ride Control Air Spring Kits and Air Bags

Air Lift Company has been developing air spring suspension products for more than 60 years. The original product, a rubber air spring inserted into a car's factory coil spring, was developed and patented in 1949. Today, Air Lift is a leader in aftermarket air suspension products and has won more SEMA awards for air spring development than any other company.

VAN EQUIPMENT

Though the Camper in our Corral may say otherwise, DFW works on vans. The fact is that we have always upfitted these vehicles and have a huge selection of products. From racks, to partitions to total tradesman packages, DFW does vans!

TRUCK & AUTO ACCESSORIES STORE

Ranger's extensive product line is constantly growing; providing you with solutions for updating your current vehicle; or outfitting your new work van or truck.

Partitions

Ranger safety partitions provide a solid, secure barrier between the occupants of the van and the cargo. Built from heavy-gauge aluminum, they are designed for maximum impact resistance, and uphold a standard of safety set only by Ranger products.

Shelving

Ranger's shelving and bin system is unique in the industry; it combines the strength and rigidity of aluminum extrusions with a solid substrate shelf base to give a shelf tray that is strong, lightweight and very quiet. Shelving and bin units are available in hundreds of different configurations of height and shelf depth.

WEATHER GUARD® Van Solutions offer a variety of roof racks to address every trade, every business, every need. Our standard designs accommodate ladders and long material — all the oversized items you need to carry. Conduit and pipe carriers ensure the right stock is always available. Our premium aluminum Quick Clamp Racks make oversized work materials easy to handle. Make your life simpler. Make your choice WEATHER GUARD Van Solutions.

Van Floor Mats

Little things can make a big difference. Maximize your storage options with WEATHER GUARD® Accessories.

EZ Glide System Racks

No more climbing your van before you climb your ladders. With just a twist of a lever, the EZ-GLIDE™ System delivers your ladder to the right spot for back-saving loading and unloading. And when the work is done, another twist is all it takes to have the ladder packed away and ready to roll. The quickest, easiest and safest drop-down ladder rack system available, the EZ-GLIDE System also has a long-lasting aluminum frame design and interlocking supports that ensure your ladders stay in place when stowed.

Quick Clamp Racks

Our Quick Clamp Racks are engineered to make loading and unloading your ladder an easy, one-person operation. Lean the front of the ladder against the front hook and swing the back up onto the rack. Close the gas spring assisted Quick Clamp and you're ready to roll.

Safari Racks

Excellent for hauling all types of materials, the Safari Rack easily accommodates 4-foot wide loads and distributes the weight evenly over eight cross members to protect the roof of the van. The OVAL RAIL DESIGN side rail is unique to WEATHER GUARD® Van Solutions.

Ladder Racks

Ranger ladder racks make loading and unloading ladders an easy one-person operation. Ranger cargo racks are pure function and usability with a huge weight carrying capacity. These durable, lightweight racks are made from rust-proof aluminum with stainless steel hardware, are powder-coated, have an attractive silver finish, and are protected by our 10 year warranty.
